The CREW

Creating
Reliable
Educated
Workers

Jason Everett · 1st
Regional Manager @ Amatrol
1d · 🌐

Some may know Chardon High School (Ohio) as the current two time football state champions (...going for three straight). But I know Chardon as a place where industrial champions are made! It was great to see "The Crew" at the Ohio State School Board Association conference in Columbus. Students learning about Industry 4.0 skills that prepare them for the workforce of tomorrow! Chardon High School a place where champions are made!

The CREW

Vision Statement of The CREW

To develop student readiness for the 4E's through innovative and engaged learning that is enhanced by **leading-edge technology**, **industry partnerships** and **individual development**.

WHEN should students become a CREW MEMBER? *Now!* (8th-12th grade)

- **Foundations** first course to complete
- **Work based learning** or **Circuits** can enroll in concurrent with Foundations

WHAT is the CREW? It is an exciting program designed to help CREW members define their future goals while having fun. The CREW is not a “typical” classroom experience...a lot of what is experience will be through:

- *Field trips
- *Guest Speakers
- *Hands-on activities
- * College, technical school visits
- * Service projects
- * Paid jobs in/out of the district (Earn a credit, grade & pay)

WHO should be a CREW MEMBER? *Everyone!*

- We can help align your choices with your plan for the future.
- If your future is undecided, let us help find your true passion and turn into a lifetime career.

WHY should students become CREW MEMBERS?

Because the CREW will

- Provide experiences that no other course in the building can.
- Help students identify future goals, work towards them and build a resume in order to enter the workforce a step ahead of their peers.

A collage of mathematical and scientific diagrams. At the top left is a circuit diagram with a battery, a switch, and a lamp. To its right is a diagram of a sphere with a coordinate system. Below the circuit is a vector diagram showing a vector \mathbf{a} and its components. To the right of the sphere is a coordinate system with a curve and a point. At the bottom left is a diagram of a rectangle with dimensions a and b , and a vector $\mathbf{a} \times \mathbf{b}$. To its right is a diagram of a circle with a point O and a vector \mathbf{r} . At the bottom right is a diagram of a parabola with its vertex at O and a point P . The quadratic equation $x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$ is shown at the bottom right.

What is College Credit Plus?

College Credit Plus is Ohio's dual enrollment program where students earn both high school and college credit at the same time

- ◆ Students may apply to any public or participating private college
- ◆ Students may apply to multiple colleges

Who is Eligible?

- Students in grades 7-12
- Ohio residents
- Students who meet academic eligibility standards, which are determined by the State
- Students who are “College Ready”

What does it mean to be “College-Ready”?

More than just academically ready

- ◆ Emotional and social transition
- ◆ Meeting college expectations
- ◆ Time management and organizational skills
- ◆ Ability to self-advocate
- ◆ Some college classes have content that is oriented toward a mature or adult student. College instructors will not modify the course content for CCP students.

Starting in the 2022-2023 academic year, Ohio requires new CCP students and parents to complete a Mature Content Permission Slip.

How is College Different from High School?

	High School	College
Tests	Weekly or end of chapter	Fewer in number, but cover more material
Study Time	1 to 3 hours per day	2-3 hours per credit hours
Graded Work	Numerous quizzes, tests, and homework	Fewer tests & assignments, but worth more points
Learning	Information provided mostly in-class. Out-of-class research is minimal	More independent thinking, longer writing assignments, & out-of-class research
Responsibility	Daily verbal reminders in class	Email reminders, checking courses online daily
Attendance & Class Participation	Required, parents are notified if a student is absent	Attendance policy is determined by instructor, but no one is notified if a student is absent
Role of Parents	Parents are involved, working closely with teachers and counselors	The college views the student as an independent decision maker

FERPA

- The “Family Education Rights and Privacy Act”
 - Protects student education records
 - Parents do not have access to student’s academic records
 - Colleges reserve the right to communicate student record information with appropriate high school officials who have an “educational need to know”
 - “Permission to Release Information Form” – student’s written consent to share information with a third party
 - For example: at *Lakeland*, this must be student initiated with photo ID at the Student Service Center

What are the Benefits of CCP?

- Students can:

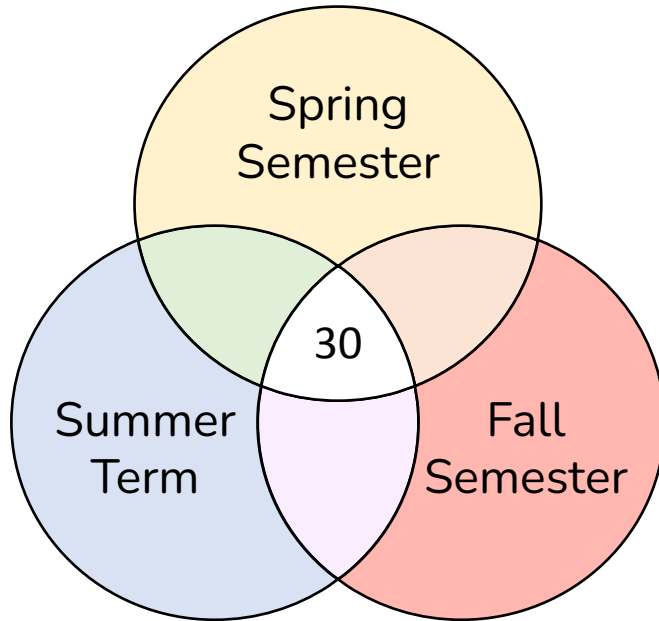

- Earn high school & college credits at the same time
- Get a “head start” on career plans
- Start & potentially complete a degree or certificate program
- Understand the expectations of college life
- Save tuition & textbook costs
- Demonstrates to colleges that you are “college ready”

How Many Credits can Students Take?

- Up to 30 credits per academic year, includes high school classes:
 - Calculation: $30 - (\text{_____ high school units} \times 3) = \text{___}$ (max CCP credits)
 - Example: $30 - (3 \text{ high school units} \times 3) = \mathbf{21}$ CCP credits

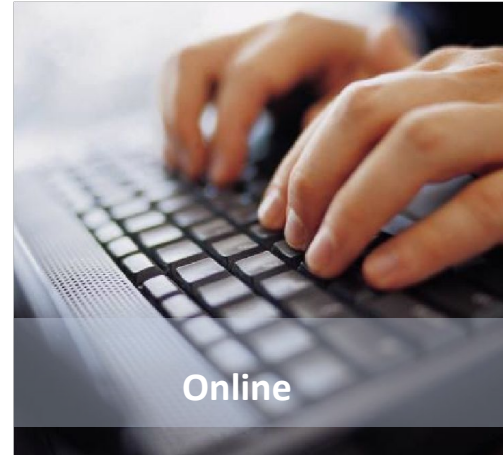

- If a student enrolls in more than 30 credits, they can either:
 - Drop the course (during the 100% refund period) or
 - Pay for the entire course (including tuition, fees, books) at the college's standard rates

When Can Students Take Classes?

- Summer is the lead academic term
- Student athletes should know - summer term CCP courses cannot count for athletic eligibility for that academic year

Where Can Students Take Classes?

*The option to take courses at the high school is only available if the high school has partnered with a college or university to offer courses at the high school

What Courses can Students Take?

- College courses in subject areas that will satisfy high school graduation requirements
 - Students must work with high school counselors to ensure they are meeting any mandatory testing or other high school requirements
- Courses in a career pathway that interests them
- Courses that are major or degree requirements
- Students must meet prerequisites for all courses they take
- Students must complete their first 15 credits in Level I courses, which are transferable to public Ohio Universities. (See College/University's website for a list of Level I courses)

Non-Allowable Courses

- Private applied courses with one-on-one instruction (such as performing art lessons)
- Study abroad courses
- Physical education courses
- Pass/Fail graded courses
- Remedial courses or sectarian/religious courses

Grades & GPA

- CCP grades earned in college courses are the same grades that will appear on the high school transcript
 - *Chardon- A “W” or “Withdrawal” is not placed on the student’s HS transcript*
- Grades will be factored into the high school and college GPA
- Must successfully complete the courses in order to earn the credit
 - Even if a student fails or withdraws from the course, the college transcript and high school transcript will reflect the student’s final grade

Will my Credits Transfer?

- Most courses will transfer, especially from one public college to another public college
- Students must check with colleges to confirm transferability
- Visit transfercredit.ohio.gov or transferology.com for more resources

Underperforming Students

- If students do not earn a passing grade or withdraw too late from college courses, the high school may require students/families* to reimburse the tuition that the district paid
 - The grades that students earn will be on the students' college transcripts permanently
 - If a student fails or withdraws often, future financial aid may be negatively impacted
 - If a student performs poorly, they may be placed on CCP Probation or CCP Dismissal or on academic probation or may be dismissed by the college
- *If a student is considered “economically disadvantaged”, a school may not seek reimbursement

\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$

Lakeland allows students to withdraw from a course within the first 2 weeks for a full refund.

- If you fail a course, you will be billed for the cost of the course
- If you register for a course, drop the course with Chardon, but forget to drop it with Lakeland officially, you will (likely) be billed for the cost of the course
- If you withdraw from a course after the first 2 weeks, you will be billed for the cost of the course

1 credit at Lakeland = \$120

What Support Services are Available?

- High School counselor
- College advisors/counselors
- Colleges provide the same academic supports to CCP students as they do traditional students
 - Learning Center/Tutoring
 - Library Access
 - Advising/Counseling
 - Accommodations

CCP at Lakeland!

- Over 1,350 CCP students
- 23% of all Lakeland students
- 37 high schools
- 81% attend part-time
- 30% participate in CCP only at their high school
- Lakeland has over 140 degree & certificate programs
- Lakeland is ranked one of top 50 Best Community Colleges in the nation (College Consensus, 2020)
- In 2019, Lakeland was named the safest college campus in the nation (ADT)

Lakeland
COMMUNITY COLLEGE

Lakeland Opportunities:

- Honors Program (*Available to High School Seniors with a GPA of 3.5 or higher*)
 - Honors Curriculum, motivated peers, leadership opportunities, honors distinction, ease of transferring into a partner college/university's honors program, scholarship opportunities
- Lakeland offers classes that are 16-weeks, 12-weeks, or 8-weeks.
- CCP students have the first **TWO WEEKS** to drop a course at 100% refund, in any term
- Writing Center & Tutoring Services
- Career Services
- Parking is FREE at Lakeland!

CCP Career Pathway!

- CCP students can earn credits towards job-ready certifications!
 - Makes them employable immediately after high school
 - Can be packaged with other certificates, associate degrees, or bachelor's degrees to make candidates look more marketable to employers in a competitive job market
- These programs all offer Ohio Department of Education (ODE) approved industry-recognized credentials, aligning with Ohio's new graduation requirements.
- CCP admission criteria for these specific programs include a GPA of 2.75 or above & a "B" or better grade in high school English.

CCP Eligibility Requirements at Lakeland!

Students entering 10 th , 11 th , or 12 th grades with an unweighted, cumulative High School GPA of 3.0 or above	<u>OR</u>	ACT English - 18	<u>OR</u>	SAT Evidence-Based Reading & Writing - 480	<u>OR</u>	Accuplacer Next-Generation Writing Test - 263
---	-----------	------------------	-----------	--	-----------	---

Students must meet the college readiness standards for English.

ACCUPLACER

Prepare!

- ❖ A FREE placement exam created by College Board (SAT)
 - ❖ Next-Generation Writing Test
 - ❖ Next Generation Math Test (*Currently in or completed Algebra 2*)
- ❖ Do NOT take the test without preparing first!
 - ❖ Lakeland's FREE "Test Prep" website
 - ✓ Learn the test's format
 - ✓ Lakeland test prep workshop
 - ✓ College Board Next-Generation ACCUPLACER Placement Test Study App
 - ✓ Longsdale Online Course & Practice Tests

Take!

- ❖ REQUIRED - Bring photo ID or College Board Student ID Form
- ❖ Sign up is required online (*must apply to Lakeland first*)
- ❖ Test takes place on campus
- ❖ Not timed
- ❖ Uses computer-adaptive technology (*the response to each question determines the difficulty level of the next question*)
- ❖ Multiple choice
- ❖ Students have 2 attempts to meet the threshold (*a 3rd attempt may be allowed if student participates in a test prep activity*)

Getting Started Checklist:

- ☒ Attend a CCP Information Session
- ☐ Submit Intent to Participate form to High School – **due April 1**
- ☐ Apply Online at lakelandcc.edu/apply
- ☐ Monitor email for important updates & information
- ☐ Complete the CCP Permission Slip
- ☐ Request High School Transcript
- ☐ Prepare & take the ACCUPLACER Exam or submit ACT/SAT scores

Once Accepted:

- ☐ Complete CCP Online Orientation & Student Questionnaire
- ☐ Meet with Lakeland Counselor, Select Courses, & Register
- ☐ Attend Lakeland Welcome Days event prior to the start of the semester
