American College of Education is accredited by the Higher Learning Commission, hlcommission.org. In addition, Bachelor of Science in Nursing (BSN) and Master of Science in Nursing (MSN) programs are accredited by the Commission on Collegiate Nursing Education, ccneaccreditation.org. RN to BSN applicants and students not eligible for Partnership Grant. Details at ace.edu/programs/nursing-programs. All programs may not be available in your state. Refer to the College Catalog for availability.

*Students are required to complete eighty-four (84) semester credits in addition to the credits listed in ACE course list for satisfactory completion of the program. Inclusive of the eighty-four (84) semester credits, a required thirty (30) semester credits of general education must align with the Indiana College Core as defined in the College's General Education Requirements policy. These credits can be acquired prior to program enrollment or while enrolled in the program. | **This is an estimated value of the cost for tuition and fees. Amounts may vary depending on number of transfer credits applied to the selected program hours or program pathway credit hours, the pace and satisfactory completion of the selected program or program pathway credit hours, receipt of, or eligibility for, institutional or non-institutional scholarship and/or grant amounts, and adjustments to tuition or fees as described in the Catalog Right to Modify Tuition section.
