

Facilities and Operations

Our Business Affairs department oversees construction projects; plans capital improvement projects, including needed repairs to classrooms or buildings; and recommends methods to improve the efficiency and cost-effectiveness of operations. The department also supervises Food Service, Technology and Transportation operations.

Capital Improvements

Chardon High School

- Full building roof tear-off and replacement
- Partial building overhangs replacement
- Full windows replacement at East elevation

Chardon Middle School

- Full building roof tear-off and replacement
