## 37. A Note from the Nurse's Office

Just a friendly reminder for parents/guardians and students, regarding the procedures we follow at CHS when a student is feeling unwell and would like to go home early from school:

- Students need to report to the clinic to be seen/evaluated/communicate with the nurse (or another available staff member if the nurse is unavailable).
- Nurse Jackson or another staff member will reach out to parent/guardian regarding the health needs or status of the student and determine or recommend if a student should be sent home early from school.
- **If a student reaches out to a parent or guardian directly requesting that they be picked up to go home due to illness/injury, etc, we ask that parents/guardians redirect their student to go and see the nurse first.** An exit pass must be issued by the nurse if a student is going home with an illness/injury.
- An exit pass will be issued to a student **after** parent/guardian contact has been made by the nurse.
- Please note that parents/guardians are also welcome to call the office/attendance line or send in a written note to the office if you anticipate that your child will need to leave school early for an appointment or other reasons.
- Thank you for your understanding and cooperation with following these procedures. Our priority is to keep your student safe, accounted for and of course, help with any health needs that arise.

Wishing you a *healthy and beautiful* spring season!

Chelsie Jackson M.Ed, BSN, RN, LSN
