

Volunteer with Chardon After Prom

What is Chardon After Prom? The Chardon After Prom committee hosts a late-night event after the Prom each year. The event is held at the high school and is filled with games, entertainment, refreshments, and hundreds of prizes.

Chardon After Prom also provides scholarships for CHS seniors and funds other high school activities benefiting students and teachers.

We raise money through concession sales at CHS football, soccer, and basketball games. We rely solely on parent volunteers to help with concessions and plan and run our After Prom event each year.

Volunteering with Chardon After Prom is a great way to get involved during your student's high school years!

We meet the second Wednesday of each month at 7:00 pm in the CHS Media Center.

Sign up to work concessions on our website:
