

Chardon Local Schools' Facebook, Twitter and Instagram Page Acceptable Use Statement

Please be aware that the district's [Facebook](#), [Twitter](#) and [Instagram](#) pages constitute a limited public forum. Although Chardon Local Schools encourages healthy debate and discussion on these pages, we do not allow the posting of false information on these platforms. If a user posts false information on any of these three platforms, the user and/or their post may be removed from the platform's page.

Additionally, use of hateful and/or inappropriate language is prohibited and may result in you and/or your post being removed without warning. The Board respects users' First Amendment rights, however, in light of the limited public forum established on these social media pages, the Board will enforce reasonable, content-neutral restrictions for its use.

Users are reminded that First Amendment rights do not extend to the posting of obscenity, threats, commercial speech and/or inflammatory comments, or to comments that contradict the District's mission, violate Board policies and/or procedures, or cause a substantial disruption to the school environment.

Also understand the District does not accept complaints via its Facebook, Twitter and Instagram pages. Rather, any complaints must be raised and addressed through established complaint policies and procedures, which can be found on the District's website.

Anyone with specific questions about the business of the district is encouraged to contact the District Administration and/or the Board of Education at communications@chardonschools.org or 440.285.4052.
