

CAREER ON WHEELS DAY SPEAKERS NEEDED!

3rd Annual Event

MAY 6, 2025 — Munson Elementary — 10AM-12:45PM

WHO: We are looking for volunteers who are willing to share their career choices with students in grades 1st through 3rd. We are specifically looking for volunteers who have a career that pertains to VEHICLES! A vehicle is recommended.

WHAT: Volunteers will be stationed outside around the parking lot at Munson Elementary. Starting at 10am, students will rotate throughout the parking lot to view the vehicles and hear about your career! These rotations will be approximately 5-10 minutes in length. Some ideas to share with students when they visit may include: where you went to school, what you majored in or studied, your favorite subjects in school, and what a typical day in your career is like for you. End the students' time with you with a tour of your vehicle!

WHY: Introducing students to careers and the world of work beginning in early elementary grades plays an important role in child development and career readiness.

WHERE: Munson Elementary Parking Lot, 12687 Bass Lake Road Chardon, OH 44024. The event will happen rain or shine.

****A NEW CHANGE:** All vehicles will enter Munson TWP Park and wait to be called over to the school's parking lot.

Please register by **Friday, May 2nd**. Please email erika.barnett@chardonschools.org if you have any questions.

Registration

Please send in registration with your child, email erika.barnett@chardonschools.org
or fax: 440.286.0484.
