

August 17, 2022, **FIRST DAY OF SCHOOL**

CMS Families,

What a great way to start the school year. On the FIRST DAY of SCHOOL, I witnessed several positive interactions between the staff and students.

A few reminders about pick-up and drop-off procedures:

- Car Riders:
 - Click [HERE](#) to review the location and procedures for car riders.
 - Student drop-off is no longer in the back of the school or down the Alcan.
 - If you are dropping off at CHS and CMS you can drop your student off at 7:10 AM. This includes CHS student drivers and parents driving students to both schools.
 - All other drop-offs will start at 7:20.
 - Please DO NOT arrive prior to 7:20 AM and park along the curb. This creates congestion and unsafe traffic patterns in the parking lot. We would like a single file line of cars throughout the drop-off/pick-up zone.
 - PM: Please do not enter the school parking lot prior to 2:40 for pick up. Cars cannot block traffic on North Street.
 - Please pull up as far as you can in front of the Board of Education Office, and your students will meet you at your car.
 - Parents should not be parking in the school lots during the AM or PM or any other surrounding private property.

- Bus Riders
 - Buses were EARLY today due to low ridership during the first week of school.
 - As a reminder, ALL StopFinder users have the ability to set up GeoAlerts and track the exact location of the bus within the App. Click [HERE](#) to view the opening day Newsletter for information on the StopFinder features
 - New enrollments and bus changes may take up to 48 hours to route.

If you have any questions about the outlined procedures above, please feel free to contact the main office. Thanks.

Mr. Adam Tomco
CMS Principal
