

Chardon - Levy Life Indicator

The District takes seriously its responsibility to stretch resources.

- Our cash reserve has grown through careful spending and obtaining additional grant funding to operate, pushing the need for a new levy further into the future (currently 9 years, a historic high).
- A reduction in anticipated revenue will cause the District to be on the ballot sooner.
- With no new revenue the Cash Balance projection is (\$2,646,643) by 2029, declining in future years.
