

Chardon Branch Youth Programs

Adventurers

Grades 3-5

**Thursdays
4-5 p.m.**

**Registration
Required**

**Register online or by phone 440-285-7601
Registration opens Aug. 15**

September 14 - Be an Animator!

Come learn about making animation, do crafts based around our favorite movies and help choose animated short films to watch as we create together!

September 21 - Lord of the Rings: Escape Room

Work with your friends to leave the shire and get ready to go on an adventure!

September 28 - Art Remix

Put your mark on the world of art, take old paintings and put your own spin on them. It's up to you what you are Van Gogh-ing to create!

October 5 - Mini book Club: The Bad Guys book 1

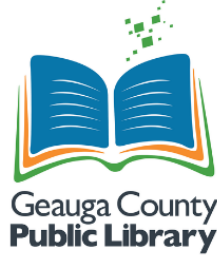

Come share all your hot takes on "The Bad Guys" (Book 1) by Aaron Blabey and enjoy some fun discussion and crafts. (Note: Participants who want the full book discussion experience should read the book prior to coming to the program, but can still participate if they have not)

October 12 - Carlos the Dragon's book trivia battle: Part 2

The Dragon King of trivia has returned! Come and play against your friends to win prizes and become the Book Trivia Champion. This time we'll be sprinkling in some trivia about movies that are based on books as well!

Adventurers

Grades 3-5

Thursdays 4-5 p.m. **Registration Required**

October 19- Girl Power!

Come celebrate the power of being a girl with empowering activities encouraging girls to think, feel, and look how they want to.

October 26 – Crafting Cryptids

Are you Curious about Cryptids? Learn more about the legends behind these mysterious creatures from all around our world and make your own clay versions. Become a cryptozoologist!

November 2 - Create your own board game

Don't let board game companies have a MONOPOLY on making new games. Only UNO person can GUESS WHO is going to come to create a CANDYLAND of fun games, and that is you!

November 9 - Marvels: Super Hero STEM

Become a Marvel in Science with these Super Hero STEM challenges!

November 16 - Be a Product Tester!

Come and try out a variety of STEAM kits the library has to offer and vote for your favorite!

Nov 30 Lego Island: Island Snow Storm!

Save your brick friend from a snow storm and build your own creations to keep them safe from the elements!

December 7 - Stuffed Animal Factory

Join our magical wintery workshop to make an awesome stuffed friend and learn how to create your own at home!
