September 13-Crazy Science

Try your hand at an ice volcano, uncover a frozen fossil, and try out your own slime that is magnetic! You can be a MAD SCIENTIST!

September 20-Terrific Trolls

Make your own troll wig that you can wear while you design troll magnets and challenge other trolls in relays and games.

September 27-Wonderful Worms

Get to know these cool and helpful friends. Observe an earthworm, learn why they are so helpful to us, make crafts and play games.

October 4-Whose Your Mummy?

Come to find out the mysteries of Ancient Egypt, make an apple mummy and write your name in hieroglyphics!

October 11-Creature Feature

Join us to invent your own creature, name it, play Creature Craze and much more.

October 18-Nestings For Nessie

Let's explore Loc Ness Lake, then design a great nest to make Nessie more comfortable. Make a Nessie puppet and much more.

October 25-Glow In The Dark Art

Illuminate your artwork so it glows! Enjoy being a painter and sculptor and letting your creativity run wild. The best part is seeing your artwork glow.

November 1-Tall Tales

These stories have been around for a long time, but they are still funny! Come celebrate America's Tall Tales with many crafts and fun activities.

November 8-Bouncy Ball Bonanza

Bounce your way into the library to make a bouncy ball and where everything we do will be about bouncing.

November 15-Music Mania

The only thing better than listening to music is making your own instruments and playing them. Mosey on in for some melodies.

November 29-Virtual Rides

Our amusement parks are closed, but we can have our own fun park. Get ready to enjoy the fun of an indoor park.

December 6-Wildlife Defenders

Our animal friends who live outside in the winter need our help. We can make things to make their lives easier.

Have fun and help animals!
