Re: Educator Grants available

September 9, 2022

Dear Colleagues:

The Geauga County Retired Teachers' Association, (GCRTA), is a local non-profit organization of retired professional educators and an affiliate of the state and national retired teacher associations. We are offering grants of up to \$250.00 for teachers in your district. All granted funds should be used to provide innovative projects or activities that may not be available from school budgets. This program is open to any academic discipline, grade level, or building activity that meets the purposes of the school and needs of students.

All necessary paperwork is being sent to building secretaries to forward to the faculty members in their buildings. We ask that interested teachers plan and confer with their principals. The completed form must also contain the signature of the principal.

If you need additional information, please contact me at the following address or phone number.
harpergma6@gmail.com or 440 487-4324.

We wish you all the best as this school year commences,

Judith Miller, Treasurer, GCRTA
