

Are my students learning?

Can my students hear me under this mask?

Are my students okay?

Am I going to get sick?

What about my kids at home?

Who can I talk to about a student?

# WE CAN HELP.

## GEAUGA WELLNESS COLLABORATIVE

This school year is different than any other before. We are here to support you with **FREE** consultation available by mental health professionals.

If you need to talk, voice concerns, or just vent - email or text us (*Yes, you can text an email!*) at **GeaugaWC@gmail.com** to speak directly with a mental health provider.
