Food Payment Instructions: How to Add Payments / Access your Balance

Infinite Campus Food Service allows you to log into one application — Infinite Campus — to:

- establish food service accounts
- track food purchases
- manage payments

Infinite Campus Food Service improves the efficiency of all food service employees through easy-to-use, point-of-sale options while simplifying state reporting.

Infinite Campus: How to Log-In / Troubleshoot Log-In Issues

The Infinite Campus log-in instructions link is on the District website and is also accessible from your school's homepage. Here you will find detailed instructions for logging into the Parent Portal and troubleshooting log-in issues:

Infinite Campus Log-in Instructions

There are also instructions on that page for who to contact if you have log-in issues.

We highly recommend bookmarking this link for future reference as you will be using it regularly throughout the school year for many purposes.
