Board Position Highlight = Treasurer

We asked Mrs. Cline to tell us about her role as treasurer. Please read and consider being our next treasurer!

📄 Describe your position on the Munson PTO.

Being the PTO treasurer includes maintaining the budget and updating it with income and expenses throughout the year, writing checks, making deposits and tracking payments, making sure taxes are filed, and attending meetings/helping with whatever else the PTO needs. I am usually the cashier during book fairs and candy cane shop, and the treasurer has traditionally run the book fair, although that's not formally part of the job.

🕒 What is your average weekly time commitment as Munson PTO Treasurer?

It varies a lot. Some weeks are much busier than others, but on average, I'd say about an hour a week. Busier times include fundraisers and events like the Fun Run, Candy Cane Shop, Book Fair, and Parents' Night Out.

📌 What are the most important skills needed to do the Treasurer job?

Believe it or not, you don't have to be great at math! (I am NOT!) The computer and/or a calculator take care of most of the math work for you. It helps to have some knowledge of Excel and Quicken, but they're both fairly easy to learn. You do need access to a computer that can use Microsoft Office and Quicken (the PTO budget pays for these programs). I think the most important skills are to be organized and detail oriented. Just like managing your own money and paying your bills, being responsive and on top of things is ideal (nobody likes waiting for money!). Also, I'd like to note that I was lucky to have the previous PTO treasurer stick around and make herself available to me anytime I was unsure or needed help in learning the job. I will be available to help the next treasurer in any way I can!

👉 Why did you want to join PTO board?

I became active in PTO because not only do my kids love their school, but I was also a student at Munson and I have the best memories of my time here. I wanted to give back to the teachers and school community that has given me and my family so much.

📌 What is your favorite memory or memories from being on the Munson PTO board?

The assembly when Mr. Prez and Mr. Hazen got slimed!!! But really... working and becoming friends with my fellow board members and volunteers. The friendships I've formed through PTO have been a wonderful bonus. I love being able to help our amazing teachers in some small way, and it's rewarding to see them and the kids and families having fun at our events. It's so cool to think that the kids will remember these events and assemblies when they're grown up with families of their own. We work hard, but we have a lot of fun, too.

👉 Anything else?

Everyone has ideas, skills, and talents that are helpful for PTO. Life is busy, but elementary school is a very short four years and it flies by. We all work together to make those four years special and memorable for every student at Munson!

Teacher Appreciation Week

Teacher gift opportunity! If you enjoy buying your favorite staff gifts at the end of the year or your child wants to say thanks for all that their teacher(s) have done, PTO will be releasing all staff "favorites" soon! This will be in conjunction with Teacher Appreciation Week which is May 2nd- May 6th this year! The week's agenda and volunteer opportunities will be released in an email blast soon! PTO would LOVE to have your support helping us care for and show our gratitude for our awesome Munson staff!
