A NOTE FROM THE PRINCIPAL

Parents,

The year is winding down and there are many things in the works for the upcoming weeks. This month is Autism Awareness month and our staff will be wearing blue on Thursdays. We also have activities that students may participate in next week (see list on second page). Tomorrow (Friday) will be our PTO Bingo Night at Munson Town Hall from 6:00 to 8:00 pm. Also, as the weather warms up and if the ground is not too wet, we will have outdoor lunch as much as possible.

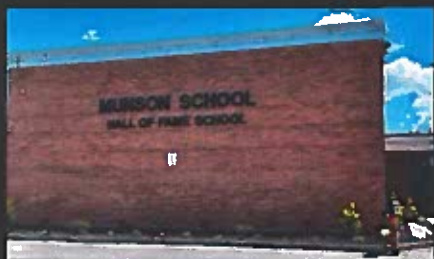

Thank you,

Mathew Prezioso
Principal

Important Reminders:

- Community flyers will now be found on Community Flyers tab of school web page or Community Flyers option in District Resources drop down menu. The link will also be listed in our newsletter Contact Info section.
- All students should keep a change of clothes at school. We do not currently have any extra pants to share in the event they need to change.

TOPPER TICKETS

T - Take Responsibility

O - Open Your Mind

P - Participate

P - Persevere

E - Encourage Others

R - Respect Everyone

S - Strive for Excellence

Topper Ticket Winners this week are...

1st grade: Alexandra Feliciano,
Leo Mast, Quorra Martin,
Giana Christopher,
Declan Sutter. Keira Tringhese

2nd grade: McCayla Horvath,
Harper Burbol, Abran
Gonzales, Zarryonn Samir

3rd grade: Skylar Parkins,
Naomi Fetheroff, Vincent
Luciano, Lexi Mysliwczyk,
Jilian Cutler, Elijah Aufderheide,
Kenzie Keyser, Evan Richards,
Adam Leagan, Revan Hein,
Giada DuFour, Sophia Yonosik,
Evan Grau, Henry Bullard,
Anthony Kocevar,
Daroheem Johnson

MUNSON HAPPENINGS

Munson Autism Awareness Week: April 11-14

Monday: Magnificent Mind Monday is to celebrate the beauty in the diverse spectrum of the human mind. Wear tie-dyed clothing.

Tuesday: What's your passion? One characteristic of autism is to show incredibly focused passion for topics of interest. Wear clothing to show something you love.

Wednesday: Sensory friendly day. People with autism often have a variety of sensory sensitivities. Sometimes wearing a hat or soft clothing makes children with autism feel more comfortable. Try to use as much natural light as possible today instead of fluorescent lights. Wear your favorite hat or comfortable clothes today.

Thursday: World Autism Acceptance Day. Love and acceptance go a long way. Wear blue to show your support and acceptance of individuals with autism.

IMPORTANT DATES TO REMEMBER

- ▶ **April 8: PTO Family Bingo Night**
- ▶ **April 12: Spring Concert at Park Auditorium**
- ▶ **April 15: No school**
- ▶ **April 18: No school**
- ▶ **April 23: PTO My Guy & I Dance**
- ▶ **May 15: PTO Putt-Putt with my best gal**
- ▶ **May 19: Park & Munson Career Week Vehicle Day**
- ▶ **May 30: PTO Kalahari Fundraiser Event**

LUNCH - APRIL 11 - 14

- ▶ **Monday: Chicken nuggets with tots, 100% fruit juice, choice of vegetables, Goldfish, milk**
- ▶ **Tuesday: Walking taco with toppings, steamed corn, choice of fruit, milk**
- ▶ **Wednesday: Pizza, steamed vegetable, 100% fruit juice, choice of fruit, milk**
- ▶ **Thursday: Chicken tenders and waffle sticks, hash brown potatoes, choice of fruit, Rice Krispy treat, milk**
- ▶ **Friday: No school**
- ▶ **Daily option: PB & J**

April 7th, 2022

Dear Munson Elementary Parents and Guardians,

Please note that it is a requirement for students to be current on Ohio Department of Health immunizations in order to attend school. Students can be excluded if non-compliant with immunizations. Attached is a document which reflects when dosing is required for children. I am sending this list in advance of the summer break because it is helpful to have these appointments scheduled and completed over the summer. If your child is non-compliant with vaccinations or an immunization exemption form is not completed after the 15th day of school for the 2022-2023 school year, your child can be excluded from school. Hopefully this information provides you with ample time to get the appointments scheduled and complete immunization records to the school clinic.

Please feel free to call any of the district nurses with questions on the immunization policies.

Best regards,

Sarah Park BSN RN

440-286-0490

VACCINES	FALL 2022 Immunizations for School Attendance
DTaP/DT Tdap/Td Diphtheria, Tetanus, Pertussis	<p>K-12 Four or more doses of DTaP or DT, or any combination. If all four doses were given <i>before the fourth birthday</i>, a fifth dose is required. If the fourth dose was administered at least six months after the third dose, and on or after the fourth birthday, a fifth dose is not required.*</p> <p>Grades 1-12 Three doses of Td or a combination of Td and Tdap is the minimum acceptable for children ages 7 years and older with the first dose being Tdap. Minimum spacing of four weeks between doses 1 and 2, and six months between doses 2 and 3.</p> <p>Grade 7 One dose of Tdap vaccine must be administered on or after the 10th birthday.** <i>All students in grades 8-12 must have one documented Tdap dose.</i></p>
POLIO	<p>K-12 Three or more doses of IPV. <i>The FINAL dose must be administered on or after the fourth birthday</i>, regardless of the number of previous doses and there must be six months spacing between doses 2 and 3. If a combination of OPV and IPV was received, four doses of either vaccine are required.</p>
MMR Measles, Mumps, Rubella	<p>K-12 Two doses of MMR. The first dose must be administered on or after the first birthday. The second dose must be administered at least 28 days after the first dose.</p>
HEP B Hepatitis B	<p>K-12 Three doses of hepatitis B. The second dose must be administered at least 28 days after the first dose. The third dose must be given at least 16 weeks after the first dose and at least eight weeks after the second dose. The last dose in the series (third or fourth dose) must not be administered before age 24 weeks.</p>
VARICELLA (Chickenpox)	<p>K-12 Two doses of varicella vaccine must be administered prior to entry. The first dose must be administered on or after the first birthday. The second dose should be administered at least three months after the first dose; however, if the second dose is administered at least 28 days after the first dose, it is considered valid.</p>
MCV4 Meningococcal	<p>Grade 7 One dose of meningococcal (serogroup A, C, W, and Y) vaccine <i>must be administered prior to seventh grade entry. All students grades 8-11 must have one documented dose of MCV4.</i></p> <p>Grade 12 Two doses of MCV4 at age 16 years, with a minimum interval of eight weeks between doses. If the first dose was given on or after the 16th birthday, only one dose is required.****</p>

NOTES:

- Vaccine should be administered according to the most recent version of the *Recommended Child and Adolescent Immunization Schedule for ages 18 years or younger or the Catch-up Immunization schedule for persons aged 4 months-18 years who start late or who are more than 1 month behind*, as published by the Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices. Schedules are available for print or download through www.cdc.gov/vaccines/schedules/index.html.
- Vaccine doses administered less than or equal to four days before the minimum interval or age are valid (grace period). Doses administered greater than or equal to five days earlier than the minimum interval or age are not valid doses and should be repeated when age appropriate. If MMR and varicella are not given on the same day, the doses must be separated by at least 28 days with no grace period.
- For additional information, please refer to the [Ohio Revised Code 3313.87](#) and [3313.871](#) for school attendance and the [ODH Director's Journal Entry](#) on required vaccines for child care and school. These documents list required and recommended immunizations and indicate exemptions to immunizations.
- Please contact the Ohio Department of Health Immunization Program at 800-282-0548 or 614-466-4843 with questions or concerns.

* Recommended DTaP or DT minimum intervals for kindergarten students are four weeks between the first and second doses, and the second and third doses, and six months between the third and fourth doses and the fourth and fifth doses. If a fifth dose is administered prior to the fourth birthday, a sixth dose is recommended but not required.

** Tdap can be given regardless of the interval since the last tetanus or diphtheria-tetanus containing vaccine. Children age 7 years or older with an incomplete history of DTaP should be given Tdap as the first dose in the catch-up series. If the series began at age 7-9 years, the fourth dose must be a Tdap given at age 11-12 years. If the third dose of Tdap is given at age 10 years, no additional dose is needed at age 11-12 years.

*** The final polio dose in the IPV series must be administered at age 4 years or older with at least six months between the final and previous dose.

**** Recommended MCV4 minimum interval of at least eight weeks between the first and second doses. If the first dose of MCV4 was administered on or after the 16th birthday, a second dose is not required. If a pupil is in 12th grade and is 15 years old or younger, only one dose is required. Currently, there are no school entry requirements for meningococcal B vaccine.

2021-2022 INSTRUCTIONS and WORKSHEET
To be used to assist in preparing the required:
SUMMARY REPORT ON THE IMMUNIZATION STATUS OF INCOMING
12th GRADERS IN YOUR SCHOOL

Ohio Revised Code section 3313.67 requires that schools report the immunization status of pupils by October 15 of each year. Each school or portion of a school that has its own Information Retrieval Number (IRN) must submit a separate report. The minimum complete immunizations are:

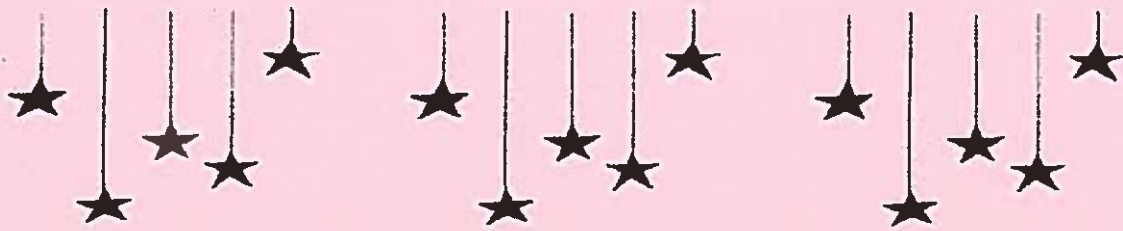

Table with 3 columns: Doses, Vaccine, and Important Notes. Rows include DTaP, Tdap, Td or DT (pediatric); Polio Vaccine; Measles Vaccine; Rubella Vaccine; Mumps Vaccine; Hepatitis B Vaccine; Varicella Vaccine; and Meningococcal Vaccine.

Each dose of vaccine should be documented by complete month/day/year (e.g. 3/19/2009) in your school immunization records. Vaccine doses administered 4 days or less before the minimum interval or age are considered valid.

"IN PROCESS"

Pupils who have not received the minimum number of immunizations and are not otherwise exempt may remain in school only if they have received measles, mumps, and rubella vaccines and at least one dose of DTaP/DTP/DT/Tdap, Hepatitis B, polio and meningococcal (ACWY) vaccines. Pupils must finish the series as soon as the scheduled minimum interval between doses permits. These pupils, while listed as incomplete, are considered "in process."

If you have any questions, call toll free: 1-800-282-0546

Light up the Night

**GUESTS ARE
ENCOURAGED TO WEAR
NEON OR WHITE, SO
THEY CAN SHINE
BRIGHT!**

MY GUY AND I **GLOW DANCE**

Munson Elementary School girls and a special man in their life
