A NOTE FROM THE PRINCIPAL

Munson Families,

I would like to thank everyone for following our afternoon pickup procedures. I feel it has been going more smoothly by the day. We also modified our bus lineup from last year so that buses do not mix with car traffic coming into the pickup line. Now we are able to get all of our pickup students in cars very close to 3:50. If you find yourself lining up in the church parking lot, I would suggest arriving towards the end of the window around 3:47. Some things to remember in order to keep things running efficiently; ***pulling up as close as possible to the car in front of you***, and also always displaying your pickup tag. At times, there will be a different staff member writing down the names and for that reason the tag is a must daily. The easiest way for us to see your tag is to attach it to the back of your window shade.

Thank you,

Mathew Prezioso
Principal
