## MUNSON HAPPENINGS

In October we celebrate National Bullying Prevention Month. On October 20, all over the nation students, including our school, will wear **ORANGE**. All Munson students will be learning about bullying in a classroom lesson with Mrs. Barnett. These lessons will include the following books and explanations.

1st grade: Don't laugh at me by Allen Shamblin and Steve Seskin

2nd grade: Simon's Hook by Karen Gedig Burnett

3rd grade: Bully Beans by Julia Cook

**Rude:** When someone unintentionally says or does something that is hurtful and is not repeated.

**Mean:** When someone intentionally says or does something hurtful and is not repeated.

**Bullying:** When someone repeatedly says or does things intentionally, despite being told to stop or the other person showing they are upset, and/or with an imbalance of power (or threat of power).

For at home resources, Spookley the Square Pumpkin is here to help continue learning about spreading kindness, acceptance, and inclusion in our home and community.

Dear Parents,

We are planning our Veterans Day activities for the week of Nov. 8-12, 2021. We are excited to be able to resume some of our previous activities after having to suspend last year.

We will be having the in person veteran visits while abiding with our district policies. This means that any veterans who would like to participate will need to wear a mask in the building. Due to space constraints, we will not be able to serve breakfast this year. The visits will be on **Tuesday November 9, 2021 in the morning**. Once we have our volunteers identified, we will get a more detailed schedule for you.

We will be doing the presentations by grade level. If you or a family member or friend would like to participate in a certain grade level to present to children/grandchildren or other related students, please indicate that on the form.

Presentations usually consist of 3 or 4 veterans sharing a little about their service and their experiences in the military. (Branch of Military, where you served, when you served, your job in the military and any other information you feel comfortable sharing) There is also a time for students to ask questions.

If you would like to participate, please return the form by **Monday October 18, 2021**. After we have the information, we will set up the schedules and contact you with specific times.

### **Little Monsters Improv Workshop | Ages 5-8**

The *Little Monsters Improv Workshop* is a *spook-tacular* time! Participants will explore basic principles of improv such as creativity, partner work, and play, through a variety of fundamental improv exercises and Halloween fun! Students will create a character through little monster mask design, participate in spooky storytelling, and much more! Your little monster will leave the workshop with stronger performance skills, a better understanding of the art of improv, and complimentary Halloween treats!
