"Chardon Local Schools is happy to share exciting news about an opportunity for families to participate in the Imagination Library at no cost.

In a three-way partnership with the Geauga County Library Foundation, the Ohio Governor's office, and the Dollywood Foundation, the Ohio Governor's Imagination Library is happy to launch registration for all of Geauga County children birth to age 5 today, Read Across America Day.

In just a few minutes, you can give your child the gift of books. Through our partnership with Ohio Governor's Imagination Library, **you can sign up any child from birth up to age five to receive a new book in the mail each month at no cost to you.** Studies have shown that children with 25 books in the home are more likely to complete an additional two years of school than their peers. With Imagination Library, each enrolled child has the opportunity to receive up to 60 books by the time they turn five. Enroll online at www.ohioimaginationlibrary.org."
