

## STAFF SPOTLIGHT

My name is Rose Romans and I am a Child Specific Educational Assistant. I live in Hambden and have been married to my husband Mike for 37 years. We have 2 grown children, Michael and Mark. I graduated from Chardon and this is my 23<sup>rd</sup> year working in the district. I work with teachers to assist students who have special education goals (behavioral and/or academic). Many students know me more from drop-off in the morning and bus duty in the afternoon, which I also assist with. My philosophy working with students is to set expectations high and then give them the skills and confidence to believe that they can achieve them. I enjoy working with students immensely and feel blessed to have the opportunity to witness and play a small part in their successes.
