4th Grade Guidance

Starting next week, all 4th-grade students will have the opportunity to participate in an Eat and Greet group. The group is being hosted and run by the 4th-grade school counselor, Kate Collins, as a way to meet all students, build stronger relationships with and among students, and make sure the transition to CMS is going smoothly for our newest learners. Mrs. Collins will be the counselor for this class of students all the way through 8th grade and she can't wait to get to know them all a little better! Each small group will meet with her 3 times to build rapport through playing games, team-building, and creative expression. Please reach out to her with any questions about the group or when your student will be participating. kate.collins@chardonschools.org
