

# Park Elementary PTO

Well...we have made it to the end of the year...and what a year it turned out to be. Everyone involved will never forget how quickly the school year got turned upside down! BUT...we at Park were extremely lucky to have such a dedicated staff who adapted like champs and went above and beyond. Our students are now able to Google Hangout, Flipgrid and Kahoot like professionals! As we look forward to whatever next year will bring, we can go into it knowing it will all work out. Have a fun summer, stay safe, stay healthy and we will be back together as soon as we can.

Hello Park parents!!

I have been working in conjunction with the PTO to create Shutterfly gift books for all teachers (Kdg- 3rd , Special education and 1 book for each of the specials—PE, Art, Music, Library). I have created 21 book projects in a general Shutterfly account (Login below).

- Each student has the option to create one full page (upload photos, write quotes, etc) for their teacher. If your classroom has a teaching assistant please be sure to include them as well as they will be gifted the same book.
- The entire school has the option of creating a shared page (multiple students per page) for each of the specials.
- This is not a mandatory project, though something fun that we would like to create for our wonderful educators at Park!
- We have been asked not collect individual gifts or money as it may create an unnecessary hardship for some. This very special gift will be purchased by the PTO. These are not for individual purchase by families as they will be specifically directed towards the teachers.
- We would like to have these completed within the next 1-2 weeks so that they can have them by the end of the year.
- The PTO reserves the right to modify projects if needed and delete any material they feel is inappropriate prior to ordering.

## **Looking forward to the 2020-2021 school year**

The current PTO board, except those who no longer have students in the building next year, will be staying on as board members until we resume school in the fall. We will be creating a contingent budget to address any possible needs to start next school year.

Once we hear from the district regarding what next year will bring, we will announce how PTO board elections will occur. Thank you for all of your support this year!

Your 2019-2020 PTO Board!

All 3rd grade families....PLEASE MAKE  
EVERY EFFORT TO PICK UP YOUR  
SUPPLIES LEFT IN THE BUILDING!!!

The PTO has purchased a special gift  
for every 3rd grader. We wish we  
could have given a proper send-off,  
but we hope this gift will remind you  
of the good times at Park.

Enjoy CMS next year!
