

Chardon Local Schools

School/Parent Involvement Plan

Recognizing that parent/guardian involvement is an important part of the educational program and that a home-school partnership generally results in higher academic achievement, the Chardon Local Schools will:

1. Review and uphold the board policy IGBL *Parental Involvement in Education*.
2. Distribute to all Title I students the school-parent compact on an annual basis.
3. Convene a parent meeting during the first quarter of the school year to inform parents about the Title I program, its requirements, and of their right to be involved.
4. Parents will be provided a description and explanation of the curriculum in use at their child's school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet. This information may be provided through a combination of the following:

Parent/teacher conferences

Open House

Individual Education Plans

Curriculum Nights

Title I parent informational night

Newsletters

Parent/Teacher Organization meetings

5. Chardon Local Schools, will, to the extent feasible and appropriate, ensure that information related to the school and parent programs, meetings, and other activities, be sent to the parent/guardian of participating children in an understandable and uniform format, and to the extent practicable, in a language that the parents can understand.
