

August 26, 2022

Dear CMS & CHS Families,

As is routine with the start of any new school year, Chardon Transportation continues to fine tune routing to ensure operations are running effectively and efficiently.

**As part of this process, the following update to routing will take effect beginning with A.M. transportation on Monday, August 29:**

- **Bus #5 A.M. and P.M. routes will be discontinued.**
- Students previously assigned to Bus #5 have been reassigned to ONE of the following buses, which have space to accommodate this consolidation:
  - Bus #28
  - Bus #38
  - Bus #8

**If your CHS/CMS student was a Bus #5 rider, it is very important that you check the [Stopfinder app](#) this weekend to view your student's:**

- NEW Bus # assignment
- NEW A.M. pickup time
- NEW P.M. dropoff time

**Note that assignment changes *are currently in progress* in Stopfinder at the time of this writing (Friday, 8/26, afternoon) and will be finalized this weekend.**

Thank you for working with us as we implement these upcoming changes to improve operations. If you have questions, please contact the Transportation Department at 440-285-4069 during weekday business hours.

Sincerely,

**Josh Nau**  
Director of Transportation

**Andy Caballero**  
Transportation Supervisor
