

WHERE IS THE DANGER ZONE?

The danger zone for a school bus is the area 10 feet around the bus. The two most dangerous places are:

Front of the bus

Right rear tire area

Please take the time to check your children's clothing and book bags to make sure they are safe. Drawstrings and keychains may catch on objects on the bus and increase danger!

Please talk to your child about the following safety rules:

Avoid the danger zone around the bus.

Don't try to pick up something dropped near the bus - the bus driver might not see you.

Remember that some motorists don't always stop for a stopped school bus.

Be careful whenever getting on or off the bus.
