September 12 - STEAM Transformers Lego

Use your science smarts and mechanical skills to create your own brick Transformer vehicle/robot.

September 19 - Harry Potter Trivia Battle

Are you as wise as Ravenclaw? As cunning as Slytherin? Compete in our Harry Potter Trivia battle to have fun and win magical prizes.

September 26 - Taylor Swift Party

Enter your favorite era with crafts and games, make the friendship bracelets and vote on your ultimate favorite Taylor Swift song!

October 3 - STEAM Insect Investigators

Learn about some of the strangest insects you might find in Ohio, and become an Entomologist with our buggy science experiments.

Adventurers

Grades 3-5

Thursdays 4-5 p.m. Registration Required

October 10 - STEAM Lego Marble Mazes

Create your own Lego labyrinth for a marble to travel through, challenge your friends, or build a maze together.

October 17 - Spooky Dioramas

Make a scary set up, or mini magical world to display in your room this spooky season.

November 7 - Pokémon Escape Room

Can you catch 'em all, or will you lose the battle to be the very best in our Pokemon escape room?

November 14 - Musical Instrument Petting Zoo

Test different musical instruments to see which one you might enjoy playing, and create one of your own.

November 21 - Make Sock Stuffed Animals

Let your creativity run wild as you make your own Socktopus, Sockicorn, or any other sock friend you can imagine as we enjoy hot cocoa and holiday music.
